pay fees for licenses for their removal. -

2. And para 10 of the same Notification authorizes the letting in farm the fees leviable under para 3 thereof. -

3. Accordingly Venkatrau, Sub Toddy Contractor at Virapur, has applied for the farm agreeing to pay for the whole of this District 400 Rs for the remaining portion of the current year, 800 Rs for the next year and 1000 Rs for the third year. He is further willing to deposit such portion of the contract amount as may be fixed by Government and has already deposited 100 Rs as earnest money. -

4. As the letting in farm the fees in question does not in any way interfere with the privileges of the ryots in this matter, who may as usual cut and take away the leaves for agricultural purposes under free licenses from Government officers, there seems to be no objection to accept the offer of the petitioner as the first bid and sell the farm at Public auction after due notice.

5. The receipts from this source ever since the collection of these fees was introduced are noted in the margin.

the ~~tree~~ trees for removing date leaves, leviable under Rule III of Notification No: 35 of 10th May 1889.

The date topes throughout the Country have suffered so much for want of sufficient supervision over the cutting of leaves for the various purposes for which they are required by ryots and others, that Toddy has to be imported by the Contractors from Her Majesty's Territory.

To remedy this state of things in whole or in part, it is intended to submit certain proposals for the approval of Government, and it is hoped that thereby the trees will be better conserved, and that a purer and more wholesome toddy will be provided for the classes who are accustomed to consume it.
